

## Nota Bene!

Since most of the time, information in this and future numbers is best kept within the Fraternity, it is suggested that copies of the Oak Leaf in Claremont be treated as confidential.

Knowing that the news is too good to keep, certainly as long as till Jan. 12th, this special is gotten out to contain Bid Day results.

With the bid list due at 3:00 P.M., the Fraternity Room, with fire blazing, radio going and windows barred, was a scene of activity from 2:00 o'clock on. At 3:45, exactly 45 minutes late, the Dean's Office had completed their work and Brother Miller burst into the Room. Bros. Dew, Hunter and Strong, who had been giving a good imitation of the Dawn Patrol up outside around the entrance, closed in. With the verb of Brother Bert Adams' famous "last words" (of Shelton's alumni letter) completely reversed to the transitive, and obtaining practically every man they had hoped for, the Fraternity crashed through the cyclic jinx for eleven of the strongest and most likeable fellows of the class. It may be stated that the success of the Brothers was the normal outcome of two features: 1. An attractive strong present group of Actives, 2. Clever, logical and persistent rushing. With these two factors a constant, the curve simply has to be a straight line.

Rod Cross - Short, blond, curly haired and good looking, Rod stands certainly to be Pomona's varsity pitcher and from reports is so good that he will likely lead the league. He also plays basketball and won his Frosh numerals last year in track as a javelin thrower. Home, Redlands.

Hulbert Burroughs - Stalwart son of his famous father, Edgar Rice - Hully is a stocky good-natured blond with a broad grin. A golfer - and he has as a brother one of the best men of the Frosh class.

John Alman - Another blond - tall with a habitual good grin and as you can guess, slightly Swedish. Made Frosh numerals in tennis, track and baseball. However his real forte lies in tennis where, without doubt, he or Comf Higman, or both, will be future Captains.

Comfort Higman - The little fellow with the most freckles and therefore probably the best disposition of the lot. Says the folks at home down in So. Pas. used to call him turkey egg. Won Frosh numerals in baseball and tennis, the latter team having a perfect record of no sets dropped thruout the season. Last week, Comf won the school mixed doubles. A social man, an intellectual and without question one of the outstanding men of the class.

William Schoonmaker - A handsome, tall, dark haired chap hailing from New Jersey. Bill will make his letter in the broad jump.

Howard Eels - Another lanky brunette. He wafts a mean casaba and is a strong man on the basketball team. Home, Pomona.

William Dawson - From good old Wis., Bill specializes in being a good all-around man with a very attractive personality.

Don Pierroti - Six feet three, weight 200, blond and with the figure and looks of the old time discus throwers, Strehle thinks Don a good bet to break the conference record in this department before he graduates. Don played football at Branch before coming to a good College.

Jack Horton - Another blond. Hails from his big ranch north of Sheridan, Wyoming where he grew up punching cows and wrangling dudes. It was on his ranch that Agee and Bob Shelton and Bert Adams worked last summer. Confess we'd like to have seen Bert wrangling a big steer. (P.A. He'd have to take a newly born calf to get by.)

Robert Booth - Cousin of Brad Datson, Bob comes from the fair state of Oregon where the tall fir grows. A decided brunette and husky, just to get the kinks out of his arms, he spends the summers lumberjacking.

Bob Brown - Brunette - with a smile, stature and profile that reminds you vaguely of Marcie Stanton. Freshman class president with the I. Q. of a Durfee, and an all around man, Bob is a real powerhouse. He also possesses an A-1 little brother in the Freshman class.

It may be stated that Phi Delt got 14, Sigma Tau 12, not all so strong; Sigma Phi 6 and KD 9 (dubious).

Final initiation will be held in the rooms Thursday night, Dec. 18th - 9:00 P.M.

Fraternally,

P.H.D. - E.D.
